SPECIAL SCHOOL MEETING

School Board Calls Special Meeting Regarding School Site.

A special meeting of the legal voters of the fractional school district of Pine river and Arcada townships has been called for October 26th, for the purpose of authorizing the school board to borrow \$1,200 for the purchase of a school site.

The site upon which the board has settled is in the Elmwood subdivision, and takes in six lots, two of which have been offered to the board free. The board has been offered the other four lots needed for \$300.00 each. The lots take a corner on Republic and Eastward streets, with a frontage on Eastward of 135 feet and on Republic avenue of 278 feet.

With the rapid growth of the city the coming need of a new school building is becoming more and more apparent, and it is a certainty that a growth during the next three years, such as Alma has enjoyed in the past three years, will make a new school building a necessity. It is bound to come within the next few years. There is no question as to that.

The growth of the city now seems to be all in the east end, and with Alma's factories all on the east side of the river, the growth will be more and more in that direction. It may possibly seem that this land is too far out, but it should be remembered that it is directly south of the new Republic plant, and that land has been broken up and platted for a considerable distance to the east of this, and more probably will be within the coming year. It is certain that houses will be going up rapidly in this section for the next five years, with a continued growth such as the city is enjoying now, would put this site in the center of a good residence district.

It is only proper to call attention to the fact that new young children, living in East Alma are being compelled to walk a long distance to school, some of them upwards of a mile. Again they are forced to cross several railroad tracks and many of them have to cross the river. The less of these the less danger for them. Everyone interested is urged to be present at this meeting.

MISSIONARY SOCIETY MEETS

The Women's Foreign Missionary society of the Methodist Episcopal church, Lansing district, will hold its thirty-second annual meeting in Alma on Tuesday and Wednesday, October 24 and 25th.

It is expected that over one hundred delegates will be present from the various local societies throughout the Lansing district, and a big time is being planned. An excellent program has been arranged for the two day session.

Miss Emma Nourse, a missionary from Old Umtali, Africa, will give an address at the Tuesday evening meeting, in which it is expected she will tell considerable about the work of the foreign missionaries. On Tuesday evening the Standard Bearers will give a banquet to the delegates in the church parlors and following the address that evening they will give a pantomime, "O Zion Haste."

Everyone interested is cordially invited to attend the various meetings of the two day session here. The meetings will be held in the M. E. church.

SOLD CITY BONDS

At a meeting of the city council on Tuesday evening of this week the bonds for sewage, watermains, and water station, were sold to the Continental & Commercial Trust and Savings Bank of Chicago, which concern put in a bid of \$2,520. The Detroit Trust company had a bid of \$2,300. Other bids to the number of eight were read, but were all considerably less than the two above.

THE THEATRE

The Idlehour

Tonight Hazel Dawn is shown in the well known and fascinating play, "The Masqueraders." With this a one-reel comedy is shown.

Saturday the usual Triangle program will be shown with a matinee at 2:45.

Sunday there will be an especially good program. The feature will be "The Golden Claw," featuring Bessie Barriscale and is said to be one of the greatest pictures ever released on the Triangle program. There will also be a four-reel feature comedy, "The Submarine Pirate," presenting Syd Chaplin for the first time to an Alma audience. This comedy in itself may be considered one of the greatest offerings ever put on in Alma. There is not only an abundance of extremely funny comedy but there is an excellent opportunity given to observe a regulation U. S. A. submarine in action. This picture was taken under supervision of the navy department. Two and one-half hours of excellent entertainment is provided for Idlehour patrons next Sunday beginning at three o'clock.

The special feature Monday night, Mr. and Mrs. Vernon Castle in their burlesque melodrama, "The Whirl of Life," will be of great interest to a large percentage of Alma people. The Castles are directly responsible for the revival of the popularity of dancing, which has gone over the country the last four or five years. These people are the originators of all the so-called "new dances" such as the one-step, fox-trot, castle-walk, etc. This feature is offered at very attractive prices and it will be shown both afternoon and evening.

Tuesday will bring one of the most important presentations of the season, Miss Geraldine Farrar, the grand opera prima donna, in a screen version of the famous dramatic opera, "Carmen." This is undoubtedly the most elaborate and costly production ever staged on the Paramount program. Just to mention one feature of the great picture, there were 20,000 people dressed in Spanish costume to witness the real bull-fight, professional bull-fighters having been

brought over from Spain for the purpose. For the benefit of those desiring to see the home-talent play Tuesday evening, the Idlehour will put on a matinee at 3:00 o'clock, and another at 4:15 to accommodate college and high school students.
